PROFESSIONAL SUMMARY

Web Developer with 3+ years of experience building scalable, responsive web applications using React, Vue, Angular, and Node.js. Skilled in TypeScript, REST API integration, and performance optimization. Experienced in mentoring students and delivering high-quality software solutions.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, TypeScript, React.js, Vue.js, Angular, Tailwind CSS

Backend: Node.js, MongoDB, SQL, REST APIs

CMS & Platforms: WordPress, Git/GitHub, Vite, VS Code, npm

Other: Figma, Responsive Design, Cross-Browser Compatibility, Debugging & Testing

Deployment: Netlify, Vercel

PROFESSIONAL EXPERIENCE

Web Developer, Dabang Tech (Jan 2023 - Feb 2026)

- Developed 5+ responsive web applications using React.js, Node.js, MongoDB, and Tailwind CSS, serving 10,000+ monthly users.
- Integrated third-party APIs and backend services using JavaScript, TypeScript, and RESTful architecture, improving user engagement.
- Optimized application performance using code splitting, lazy loading, and efficient database queries, increasing load speed by 30% and reducing downtime by 20%.
- Deployed applications on Netlify and Vercel, maintaining 99% uptime and ensuring continuous delivery.

- Collaborated with cross-functional teams using Git/GitHub for version control, participating in code reviews and improving development efficiency.

Course Instructor, Dabang Tech (May 2025 - Jan 2026)

- Taught programming concepts including JavaScript, HTML, CSS, and Python, mentoring 50+ students per term.
- Improved class performance by 15% through structured problem-solving sessions and project-based learning.
- Designed collaborative coding exercises to increase student engagement by 20%.
- Guided students in building real-world web development projects using modern frameworks.

EDUCATION

Bachelor of Science in Software Engineering (Mar 2025 - Mar 2029)

Virtual University of Pakistan

- Major in Software Engineering
- Pursuing a BS in Software Engineering, gaining expertise in web development, programming, and modern software practices.

Bachelor of Science in Computer Science (Mar 2021 - Mar 2026)

Islamia University of Bahawalpur

- Completed degree with expertise in programming, web development, and software engineering principles.

LANGUAGES

- **English:** Conversational
- **Urdu:** Native

CERTIFICATIONS

Microsoft Certified in Python Programming

- Demonstrating proficiency in core Python concepts, problem-solving, and application development.
